PROFILE

I am a highly imaginative, multi-talented recent college grad who has experience with a variety of artistic mediums. I pride myself on my ability to work quickly and precisely under pressure. My strong focus, cheerful disposition, and utter dedication to my work, both in art and in life, make me an ideal candidate for any company seeking an employee to bring their project to the highest level.

EXPERIENCE

Scenic Designer

Gordon College | Wenham, MA | 2018-present

Duties: Developed set designs based on evaluation of scripts, budgets, and locations.

Created a design packet with plans, 1/2" scale paint elevations and a 1/4" scale model.

Accomplishments: First Gordon student to independently design a mainstage show.
